Office of the Executive Engineer, Buildings Division, Mysore. Any further particulars required can be had in the above office on all working days during working hours.

The successful tenderer should bind himself to abide by the departmental rules in force and execute the necessary agreement within a week of acceptance of his tender failing which the earnest money deposit will be forfeited to Government.

The department does not bind itself to accept the lowest or any tender or to assign any reason whatsoever for rejection of any tender.

Quantities noted in the estimate are only approximate.

The rates quoted by the tenderer should hold good till the completion of the work irrespective of the fluctuation in rates.

The work should be completed in all respects by the end of March 1953.

The tenderer should not impose any conditions for supply of materials either controlled or of free market but all necessary help will be afforded to get permits for controlled materials.

The tender should include sales tax and any other individual taxes or charges.

B. V. PATANKAR,
Ex. Engr.

6083

KRISHNARAJASAGAR DIVISION.

Ex. Engr.

6185

MANDYA DIVISION, MANDYA.

Notification dated 28th December 1952.

Subject :—

		Estimate	Earnest money
		Rs.	Rs.
1.	Constructing Assistant Engineers' quarters at Nagamangala.	9,400	425
2.	Constructing Section Officers' quarters at Nagamangala.	5,700	235

Sealed tenders will be received in the Office of the Executive Engineer, Mandya Division, Mandya, up to 4 P.M. on 22nd December 1952 for the above works.

Each tender must be accompanied with a duplicate chellan for having deposited the earnest money noted above into the Treasury to the credit of Revenue Deposits by Public Works Department in default of which the tenders will be rejected. Tender must be submitted in the prescribed form obtainable in this office on payment of annas four per copy.

The quantities noted in the abstract are approximate subject to variation during execution and the detail estimate, plan detailed tender form can be seen in the office during working hours.

The tenderer should quote specific rates for each item of work both in words and figures. The rates quoted should hold good till the work is completed. It should be inclusive of all taxes such as the Sales-Tax, etc., payable as per rules or other taxes that are leviable from time to time.

In case of any accident to the labour employed, the accepted tenderer should pay compensation to the injured as per rules, failing which the amount will be deducted out of his claims and paid to the injured.

For items of works not provided for in the estimate at the time of tender, minimum current schedule of rates will be paid for such items. For other items rates as per data got up based on the minimum current schedule will be allowed.

The work should be taken up within a week from the date of acceptance of tender duly executing the agreement and should be completed within one year with uniform progress every month. In case the work is not completed in time, penal clause of the agreement for the short progress will be enforced.

Final acceptance of the tender rests with the Superintending Engineer who will not bind himself to accept the lowest or to furnish any reason thereto,

The income-tax clearance certificate is to be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

L. C. KESHAVA RAO,
Executive Engineer.
